Detainees Building in Plot no.1/4, Sector W58 Abu Dhabi
Terracotta – Façade Cladding Works

To whom it may Concern,

This is to confirm that M/s. Mosart Marble & Mosaic have worked in Detainees Building Project Abu Dhabi as Façade Contractor (Terracotta package).

We would like to appreciate their timely completion and due diligence in the assigned works, with meticulous attention to detail. Moreover, we would certainly have no hesitation to work with M/s.Mosart Marble & Mosaic in future projects and will be an asset to anyone who uses their services in the future.

MOSART provide a value added service with a collaborative, helpful and constructive approach to best serve the project success criteria and have an overall commitment to client satisfaction.

This letter of recommendation has been issued upon MOSART's request for whatever purpose it may serve and without any obligation to our company.

Best Regards,

For Morganti Group Inc.

Mazen Rahhal
Project Manager
