Musaffah Industrial Area M-37,
P.O. Box 39701, Abu Dhabi,
United Arab Emirates

Attention: Mr. Andreas Iliovits
Project: Presidential Palace Project
Subject: Letter of Appreciation

Dear Mr. Andreas,

On behalf of EWAN's management, I would like to extend our appreciation to Mosart Marble & Mosaic International SAL management and to the entire team for the excellent workmanship rendered in the External Stone Cladding Package for the Presidential Palace Project.

We had been following every development of this project as its success was of the utmost importance to us and were delighted to observe excellent engineering, quality control & fine details production in big volume done in a short period with efficient project management all through the installation of over 300,000m² cladding and over 15,000m³ of decorative massive elements details of the project.

Mr. Andreas, the solidarity, effort and professionalism everyone portrayed to deliver this project in time and apt to satisfaction of client is truly commendable. We are deemed honored having worked with you and confident to see more of such accomplishment in your present and future projects.

Best regards,
Ewan Architecture & Engineering Consultancy

SAMIM AL DILAIM
